
Fairer Warmth, helping you on your energy saving journey

Greater South East Net Zero Hub

CommuniPower

Fairer Warmth

Fairer Warmth is an online tool that helps you reduce your energy bills and create a warmer, more energy efficient home.

The tool allows you to:

- **Find out what support and funding is available and if you are eligible.**
- **Explore the energy efficiency measures that are suitable for your home.**
- **Discover simple and affordable ways to save energy at home.**
- **Request bespoke energy advice.***

Visit the app today

app.fairerwarmth.com

** only available in CommuniPower project areas within the districts of Lewes in East Sussex, Maldon, Tendring and Uttlesford in Essex*

CEE Centre for Energy Equality

Fairer Warmth is created by the Centre for Energy Equality (CEE). CEE believe everyone should have access to energy-efficient solutions for their homes.
